

YEAR 10 CURRICULUM NEWSLETTER TERM 2 2020/2021

Dear Parents/Carers,

Welcome back! We hope everyone had an enjoyable festive season. We are happy to be starting this New Year with our brilliant year 10 class and as you are aware that we are still in the pandemic, we will keep approaching our teaching and learning a little bit different from the normal and encouraging our students to adhere to the measures of combating Covid 19.

Year 10

English: For English, students will be studying Arthur Miller's 'the crucible'. For English language, students will develop their reading and comprehension skills.

Mathematics: Under the topic 'number', we shall look at time and set notation and Venn diagrams. Then we will move into algebra

Biology: Students will learn animal nutrition, movement in plants, movement in animals and respiration.

Chemistry: We will learn stoichiometry, electricity and chemistry and chemical energetics.

Physics: We will continue to revise the entire course work and discussing past exam questions.

French: Students will learn about home life, school routine, eating and drinking, health and fitness, personal and social life; self, family, pets, personal relationships. house and home, leisure, entertainment and invitations.

ICT: Students will be networks and effects of using them, effects of using ICT, ICT applications, layout, styles, graphs and charts.

Geography: Students will be completing their study of human geography by looking at population, settlements and urbanization.

Business studies: Students will be learning about people in business. This includes organization and management and recruitment.

Art and Design: Learning will include continuation of Architectural landscapes and portraits and religious art.

Life Skills: In life skills, we will cover the following topics; family life, antisocial behavior, discrimination and careers.
