

YEAR 11 CURRICULUM NEWSLETTER TERM 3, 2021/22

Dear Parents/Carers,

Welcome back. Despite spending almost the entire holiday here at school, I still hope that they enjoyed the remainder of the holiday. This being an IGCSE examination term, we expect students to push themselves to maximum effort in preparation for exams. Examinations for mainstream subjects will commence on 4th May and finish on 10th June. Let us therefore join hands to wish our year 11 students the best in their examinations.

Year 11

English: students will be revising different components of the language in preparation for exams.

English literature: students will be revising for IGCSE examinations.

Mathematics: students will be revising in preparations for IGCSE exams.

Biology: students will be revising in preparation for examinations.

Chemistry: In chemistry students will be revising in preparations for exams

Physics: we will be doing an across-the-spectrum revision as students prepare to sit their IGCSE physics exams.

French: we will be revising to prepare for examinations which have already commenced this week.

Geography: students will preparing for exams.

ICT: Students will be doing revision and writing IGCSE exams on 20th and 22nd April and on 10th May.

Business studies: students will be revising for their IGSCSE exams.

Art and Design: Our only student will be writing exams first week of the term.

Life Skills: students will be doing mock interviews as we continue to encourage them to be thinking about their future careers.

HOMEWORK

Students will receive approximately 30 minutes homework per subject each week. They should therefore expect to have around one hour of study each night. Reading is still considered to be very important and we therefore expect children to continue to read independently at home.

PE

Year 11 students will need their PE kits on Tuesdays.

IMPORTANT INFORMATION

Please note that **the school starts every day promptly at 7:30am**. It is crucial to your child/ren's education to be at school on time.
